

The Werry Centre

for infant, child & adolescent mental health workforce development

is pleased to invite you to the

NATIONAL CHOICE AND PARTNERSHIP APPROACH FORUM

Focussing on Partnership: Enhancing Flow

**Travelodge, Lambton Room, 2-6 Gilmer Terrace,
WELLINGTON**

**Thursday 11th February 2016
9 am – 4.30 pm**

This forum will be an opportunity to reflect, share challenges and to celebrate achievements for services implementing the Choice and Partnership Approach (CAPA - a service management model) in mental health and addiction services. We anticipate the forum will provide an opportunity for Choice and Partnership champions, service managers and clinical leaders to network, share ideas and resources.

Key topics for the day include:

- Service Case Study: Wait List to Partnership: expert panel discussion
- Care Bundles and using Groups: Enhancing Flow
- Sharing Choice and Partnership resources
- Opportunities to work on CAPA challenges your service is experiencing
- Choice and Partnership in ICAMHs services throughout New Zealand; e-survey feedback
- Introducing the new Choice and Partnership Approach resource for Kaupapa Māori services

**To register please visit the Werry Centre website
www.werrycentre.org.nz**
