

# THE NATIONAL CAPA FORUM & MASTER CLASS with Ann York

28th & 29th March 2017 | 9.00am – 4.00pm

**Ko Awatea Centre**  
**Middlemore Hospital, 100 Hospital Rd, Papatoetoe**  
**AUCKLAND**

The Choice and Partnership Approach (CAPA) is a service improvement model that aims to support Infant, Child and Adolescent Mental Health Services to effectively manage and meet the needs of our young people.

## Keynote Speaker

Dr. Ann York, a Child and Adolescent Psychiatrist who developed CAPA with Dr. Steve Kingsbury will be at the forum to talk about how CAPA is evolving internationally, and share her views on responses to common challenges and approaches to care planning.

## The CAPA Forum – 28<sup>th</sup> March

This forum will be an opportunity for Choice and Partnership champions, service managers and clinical leaders to network, share ideas and resources. Topics include:

- The Choice Appointment
- Community Liaison
- Care Bundles
- Looking after staff

## Master Class – 29<sup>th</sup> March

Ann will also be facilitating an intensive full day workshop on CAPA implementation and CAMHS service improvement. This will focus on practical CAPA implementation, with opportunities to discuss challenges and get advice on specific areas relevant to your service.

***Join us for one or both days!***
